KII STUDY TOURS

KII Study Tours are short term travel designed for groups of international students who want to make the most of their trip learning General English and seeing the best Sydney and its surroundings have to offer. Sydney is a melting pot of cultures, foods, languages, lifestyles and traditions from around the globe. KII Study Tours cater to a wide range of group types, interests and sizes as they have been designed for high school and university groups. Individuals may register their interest and will be contacted with details of upcoming tours.

Our tour group size could be from 10-25 people. If your group is bigger or smaller, please email us and we will accommodate your requirements. Our tour leaders are experienced language teachers with wide knowledge and understanding of the city of Sydney and other attractions in NSW.
